## President Pat Burke's "Anglers Survey" resulted as follows:

Club members still want to fish  
12 Tournaments, as well  
as drop the 2 lowest scoring  
at the end of the year.

There wasn't enough interest  
in bringing back a night tourney,  
but Paper tourney interest  
showed strong.

Members also liked the  
idea of having another  
2 tournament weekend.

Members also chimed in  
with their ideas for new lakes,  
as well as lakes to drop from  
the Club list.

As the schedule develops,  
survey results will be worked in  
where ever possible.

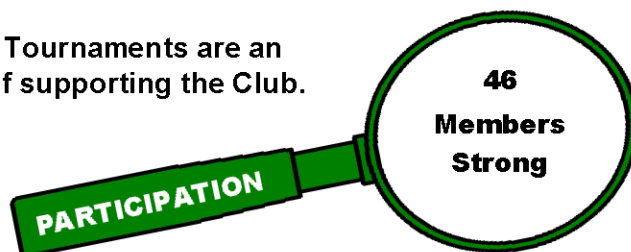

## CONGRATULATIONS

**Bruce Pawola - 2011 Angler of the Year**

**Masayuki Yamane - 2011 Big Bass**
